

Dear friends,

Our thoughts are with the people of Iran at this critical time. We have received updates from our centres confirming that everyone is currently safe, and we continue to monitor the situation closely. Our hearts are also with those of you who have loved ones in Iran during this difficult period.

Since launching our Food Package Appeal in February, we have been deeply moved by the generosity of our community. To date, more than **1,900 packages** have been distributed, reaching approximately **11,400 people** across **25 provinces**. Each one contains essential food and hygiene items, helping households cover their most basic needs during a time of severe economic hardship.

We are working as fast as possible to purchase and distribute supplies while stocks remain available. The programme is ongoing, and PKCF representatives in Iran continue to identify and support families most in need.

What was originally an initiative to help families celebrate Nowruz with dignity has now evolved into a crisis aid project. Every single donation makes a meaningful impact in Iran today, and we are very grateful for your support. If you would still like to contribute to the Appeal, please click [here](#) and kindly include the reference '**Food Package Appeal**'.

We remain committed to supporting Iranian families through this difficult time. Our gratitude goes to all our supporters for placing trust in us. May the message and symbolism of **Nowruz** bring comfort and hope **into** every home.

With gratitude,  
PKCF
